

ABA: 70305114

SCN

The image displays two coronal sections of a brain, likely from a rodent, showing the location of the suprachiasmatic nucleus (SCN). The brain sections are stained in a dark blue color. A vertical white line runs down the center, separating the two sections. A horizontal white line runs across the bottom, intersecting the vertical line. The text 'ABA: 70305114' is located in the top left corner, and 'SCN' is located in the bottom left corner.
