

ABA: 70524283

CA2/CA3

A coronal brain section showing blue-stained regions in the CA2/CA3 area. The image is overlaid with a white grid. The text 'ABA: 70524283' is in the top left, and 'CA2/CA3' is in the bottom left. The blue staining is concentrated in the hippocampal region, with a vertical dark line in the center.
