

ABA:70560265

LH

An axial brain scan showing a blue overlay on a grayscale anatomical image. The blue area is concentrated in the central and lateral regions of the brain, possibly indicating a specific functional or structural region. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA:70560265' is in the top left, and 'LH' is in the bottom left.
