CA1

An axial brain scan image showing a cross-section of the brain. The image is predominantly black, with a bright blue region in the center, representing the CA1 area. The blue region is roughly circular and has a slightly irregular, textured appearance. A vertical white line runs down the center of the image, and a horizontal white line runs across the middle, intersecting at the center of the blue region. The text 'ABA:70743899' is located in the top left corner, and 'CA1' is located in the bottom left corner.
