

ABA:70813926

VMH

A coronal brain scan showing a central region of high activation (yellow and red) in the ventral medial hypothalamus (VMH). The rest of the brain is shown in blue. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn through the level of the VMH activation. The text 'ABA:70813926' is in the top left, and 'VMH' is in the bottom left.
