

ABA:70946634

VMH

A fluorescence microscopy image of a brain section. The image is split vertically by a white line. The left side shows a brain section with a prominent yellow-green spot in the center, indicating a specific region of interest. The right side shows a similar brain section but with a much darker, less distinct spot. The text 'ABA:70946634' is in the top left and 'VMH' is in the bottom left.
