CA2/CA3

A fluorescence microscopy image of a brain section, likely from a rat, showing the CA2/CA3 regions of the hippocampus. The image is predominantly blue, indicating the presence of a specific marker or protein. The brain section is roughly circular with a central vertical groove. A white grid is overlaid on the image, with a vertical line on the left and two vertical lines on the right, and a horizontal line across the middle. The text 'ABA: 71488756' is in the top left, and 'CA2/CA3' is in the bottom left.
