

ABA: 71656816

S0

A blue brain scan image, likely an MRI or PET scan, showing a cross-section of a brain. The image is overlaid with a white grid consisting of three vertical lines and one horizontal line. The text 'ABA: 71656816' is in the top left, and 'S0' is in the bottom left. The brain structure is visible in shades of blue against a black background.
