A anterior

An axial MRI scan of a human brain. The image is mostly black, with a bright red overlay that highlights a specific region in the central part of the brain, likely the corpus callosum or a similar midline structure. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA:71670740' is in the top left, and 'A anterior' is in the bottom left.
