

ABA:71724478

DM

The image displays a fluorescence microscopy view of a Drosophila wing disc. The tissue is stained with a blue fluorescent marker, showing a large, roughly circular area of expression. A prominent, bright blue spot is visible in the center of the disc. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA:71724478' is located in the top-left corner, and 'DM' is in the bottom-left corner.
