

ABA: 71724864

ventral S

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly dark blue, indicating low activity. A small, bright cyan-colored spot is visible in the lower central region, representing a focal area of increased activity. The text 'ABA: 71724864' is located in the top left corner, and 'ventral S' is located in the bottom left corner. A white grid is overlaid on the image.
