

ABA: 71735062

SCN

A fluorescence microscopy image of a brain section, likely from a mouse, showing the Suprachiasmatic Nucleus (SCN). The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains the text 'ABA: 71735062'. The bottom-left quadrant contains the text 'SCN'. The brain tissue is stained with a blue fluorescent marker, highlighting the SCN region. The staining is most intense in the right half of the image, with a few smaller spots in the left half.
