VMH

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is color-coded, with blue representing low activity and yellow/green representing high activity. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn near the bottom. The text 'ABA: 72081816' is located in the top left corner, and 'VMH' is located in the bottom left corner. The brain structure is visible on the left side of the image, while the right side is mostly dark blue, indicating low activity.
