

ABA: 72104171

CA2/CA3

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, with a central vertical black line representing the midline. The brain's gyri and sulci are visible as lighter blue and white patterns. The text 'ABA: 72104171' is located in the top left corner, and 'CA2/CA3' is located in the bottom left corner. A white crosshair is overlaid on the image, with a vertical line passing through the midline and a horizontal line passing through the center of the brain slice.
