

ABA:72472780

Arc

A brain scan image, likely an fMRI or PET scan, showing a localized area of activation in the Arc region. The image is a coronal slice of a brain, with the Arc region highlighted in a bright yellow-green color. The rest of the brain is shown in a dark blue color. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA:72472780' is in the top-left corner, and 'Arc' is in the bottom-left corner.
