SPa ventral

A blue, symmetrical, butterfly-like shape is centered on a black background. The shape is divided into four quadrants by a vertical white line and a horizontal white line that intersect at its center. The shape has a rounded, lobed appearance, similar to a butterfly or a stylized flower. The top and bottom lobes are larger and more rounded, while the left and right lobes are narrower and more pointed. The blue color is a vibrant, slightly dark shade.
