

ABA: 73592532

A posterior

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, with two distinct, brighter cyan-colored regions located symmetrically in the posterior (back) part of the brain, likely representing the occipital lobes. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA: 73592532' is at the top left, and 'A posterior' is at the bottom left.
