

ABA:73818802

SPa ventral

The image displays two side-by-side brain scans, likely representing the SPa ventral region. Both scans show a solid blue area against a black background, indicating a specific region of interest. The scans are separated by a vertical white line, and a horizontal white line crosses both, creating a grid. The text 'ABA:73818802' is located at the top left, and 'SPa ventral' is at the bottom left.
