

ABA: 74047746

IC

A brain scan slice showing a blue highlighted region. The image is a grayscale brain scan with a blue highlighted area. The highlighted area is roughly circular and centered in the brain. There are two white lines, one vertical and one horizontal, intersecting at the center of the brain. The text 'ABA: 74047746' is in the top left corner and 'IC' is in the bottom left corner.
