

ABA:74427048

SPa ventral

This fluorescence microscopy image shows a SPa ventral view. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a large, irregularly shaped, blue fluorescent region. In the center of this blue region, there is a small, bright, yellow-green spot. The right half of the image is mostly black, with some faint blue fluorescence visible along the bottom edge. The text 'ABA:74427048' is in the top left corner, and 'SPa ventral' is in the bottom left corner.
