

ABA: 74431266

VMH

A coronal brain scan image showing a localized area of high activity in the VMH region. The image is color-coded, with blue representing low activity and yellow/red representing high activity. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA: 74431266' is in the top left, and 'VMH' is in the bottom left.
