Arc

The image displays a brain scan with two prominent, blue, symmetrical regions of activation, one in each hemisphere. These regions are roughly oval-shaped with irregular, pixelated edges. A vertical white line runs down the center of the image, separating the two hemispheres. A horizontal white line runs across the middle of the image, intersecting the vertical line. The background is black. In the top left corner, the text 'ABA: 74513923' is written in white. In the bottom left corner, the text 'Arc' is written in white.
