

ABA:74579422

SPa ventral

A fluorescence microscopy image showing a blue signal against a black background. The signal is distributed in a roughly circular pattern, with a vertical line of higher intensity running through the center. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA:74579422' is in the top-left corner and 'SPa ventral' is in the bottom-left corner.
