

ABA:74635313

Arc

This image shows a fluorescence microscopy scan of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant is labeled 'ABA:74635313' and shows a bright blue spot. The bottom-left quadrant is labeled 'Arc' and shows a bright blue spot. The top-right and bottom-right quadrants show a large, diffuse blue area. The bright spots in the left quadrants are likely representing specific cells or regions of interest.
