CA1

The image displays a cross-sectional scan of a brain, likely a rat, with a central vertical structure representing the brainstem. The brain tissue is rendered in a dark blue color. A small, bright, multi-colored spot (yellow, green, and blue) is visible in the upper-left quadrant of the brain, indicating a localized signal or activity. The image is overlaid with a white grid consisting of a vertical line and a horizontal line. The text 'ABA: 74635487' is located in the top-left corner, and 'CA1' is located in the bottom-left corner.
