

ABA: 74635614

SCN

A fluorescence microscopy image of a brain section, likely from a mouse, showing blue fluorescence. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains the text 'ABA: 74635614'. The bottom-left quadrant contains the text 'SCN'. The blue fluorescence is distributed across the brain section, with a notable concentration in the SCN region.
