

ABA:74822832

SPa dorsal

The image displays two identical blue circular brain slices positioned side-by-side. A white crosshair is centered over the two slices, with a vertical line and a horizontal line intersecting at the center. The slices appear to be coronal sections of a brain, showing a uniform blue color. The text 'ABA:74822832' is located at the top left, and 'SPa dorsal' is at the bottom left.
