

ABA: 74958566

CA2/CA3

A fluorescence microscopy image of a brain slice, showing a localized area of high fluorescence (yellow/green) in the CA2/CA3 region. The rest of the brain slice is dimly lit with blue fluorescence. The image is overlaid with a white grid. The text 'ABA: 74958566' is in the top left, and 'CA2/CA3' is in the bottom left.
