

ABA:74988735

OB anterior

A fluorescence microscopy image of a brain section. The image is dark with two prominent, bright blue spots of fluorescence. A white crosshair is overlaid on the image, with a vertical line passing through the center of the spots and a horizontal line passing through the middle of the spots. The spots are roughly circular and appear to be located in the same horizontal plane. The text 'ABA:74988735' is in the top left corner, and 'OB anterior' is in the bottom left corner.
