

ABA:75041528

M

A fluorescence microscopy image of a cell, likely a yeast cell, showing a bright spot in the lower right quadrant. The cell is roughly circular and has a bright, diffuse glow. A vertical line and a horizontal line intersect at the center of the cell, dividing it into four quadrants. The bright spot is located in the lower right quadrant, near the center of the cell. The text 'ABA:75041528' is in the top left corner, and the letter 'M' is in the bottom left corner.
