

ABA:75692954

A anterior

An axial MRI scan of a human brain. The image is in grayscale. A red region of interest is highlighted in the central part of the brain, specifically in the white matter of the posterior horns of the lateral ventricles. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA:75692954' is in the top left, and 'A anterior' is in the bottom left.
