Pir

The image features a central, symmetrical, blue, butterfly-like shape on a black background. The shape is composed of two main lobes, one on the left and one on the right, separated by a vertical black line. The lobes have a textured, slightly irregular edge. At the bottom left of the left lobe, there is a small, bright blue dot. The entire image is overlaid with a white grid consisting of two vertical lines and one horizontal line. The text 'ABA:75931603' is located in the top left corner, and 'Pir' is located in the bottom left corner.
