

ABA:75934520

GP

An axial brain scan image with a blue highlighted region. The image is divided into four quadrants by a vertical and a horizontal white line. The blue region is located in the left hemisphere, primarily in the posterior and lateral areas, with a small, more intense spot in the anterior part. The label 'ABA:75934520' is at the top left, and 'GP' is at the bottom left.
