

ABA:76003619

OB anterior

The image features a black background with a white crosshair consisting of a vertical and a horizontal line intersecting at the center. Two bright blue, roughly circular spots are positioned symmetrically on either side of the vertical line, centered vertically. The spots have a soft, blurred edge. In the top-left corner, the alphanumeric string 'ABA:76003619' is displayed in white. In the bottom-left corner, the text 'OB anterior' is also displayed in white.
