

ABA:76003665

SCN

A coronal brain section showing a blue-stained area in the SCN (Suprachiasmatic Nucleus) region. The brain is divided into four quadrants by a vertical and a horizontal white line. The blue-stained area is located in the upper-left and upper-right quadrants, indicating bilateral staining. The text 'ABA:76003665' is in the top-left corner and 'SCN' is in the bottom-left corner.
