

ABA: 76115740

VA/VL

This figure shows an axial brain scan with blue activation clusters. The clusters are primarily located in the central and lateral regions of the brain, with some smaller clusters in the posterior and anterior areas. A vertical line and a horizontal line intersect at the center of the brain, dividing it into four quadrants. The text 'ABA: 76115740' is in the top left, and 'VA/VL' is in the bottom left.
