

ABA: 77340494

VA/VL

An axial brain scan image showing a focal area of activation in the left hemisphere. The image is overlaid with a white grid. The activation is represented by a bright blue region in the lower-left quadrant of the brain slice. The rest of the brain slice is dark blue. The text 'ABA: 77340494' is located in the top-left corner, and 'VA/VL' is located in the bottom-left corner.
