

ABA: 77454965

Tg

A fluorescence microscopy image of a plant tissue section, likely a leaf or stem, showing two bright spots in the left half. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains a bright spot, and the bottom-left quadrant contains another bright spot. The rest of the image is dark, indicating low fluorescence intensity. The text 'ABA: 77454965' is in the top-left corner, and 'Tg' is in the bottom-left corner.
