VMH

This is a fluorescence microscopy image of a brain section. The image is predominantly blue, with a central region showing a bright, elongated, and somewhat irregularly shaped structure. This central structure is surrounded by a darker, more uniform blue area. The overall shape of the brain section is roughly oval. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA:77620790' is located in the top-left corner, and 'VMH' is located in the bottom-left corner.
