

ABA:79544892

OB anterior

A fluorescence microscopy image of a brain section. The image is dark with two bright spots of light blue and cyan fluorescence. A white crosshair is overlaid on the image, with the vertical line passing through the left spot and the horizontal line passing through the center of both spots. The text 'ABA:79544892' is in the top left, and 'OB anterior' is in the bottom left.
