

ABA: 79556618

IC

This figure displays an axial brain scan, likely a PET or SPECT image, showing a focal area of increased activity in the left hemisphere. The image is overlaid with a white grid. The text 'ABA: 79556618' is located in the top left corner, and 'IC' is in the bottom left corner. The focal area is colored in a gradient from blue to yellow, indicating a localized region of high signal intensity.
