

ABA: 79591629

A anterior

An axial brain scan showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped red area representing the brain tissue. A vertical white line runs through the center of the brain, and a horizontal white line runs across the middle. A small, bright red spot is visible in the right hemisphere, indicating a focal lesion or abnormality. The text 'ABA: 79591629' is located at the top left, and 'A anterior' is at the bottom left.
